

ECC Teacher Scholarship Application

The East Coast Committee of the Cecchetti Council of America supports its teachers by offering scholarship opportunities to attend the Cecchetti Council of America's International Summer Training School. Scholarships are open to member teachers who are eager to continue their training in the method and meet ECC eligibility requirements.

Teachers applying for scholarship should mail this application and a letter stating their request for scholarship discussing their commitment to the method, contributions to the committee and a brief bio.

Eligibility:

- Teachers applying for scholarship must be a members in good standing with the CCA at the time of applying.
- Teachers must be active, supportive members of the ECC.
- CCA National Dues must be paid to date at the time of applying.
- Must have attended at least one national conference or two full local conferences in the past three years. (Complying with the CCA eligibility requirements to present students).
(Does not apply to a teacher new to the method who has not been a member for multiple years.)

Requirements:

- Recipients are expected to attend and participate in syllabus classes and attend events at the Teacher Training Summer Training School.
- Teachers will be responsible for their own transportation costs.

NOTES FOR WEBSITE:

- A separate teachers' scholarship committee evaluates ECC/CCA member teachers for ECC sponsorship to the CCA International Summer School each year. The committee is comprised of the Scholarship Chair, ECC Examiners, ECC Conference Principal and ECC Board Chair.
- Submit ECC Teacher Scholarship applications for CCA International Summer School to Scholarship Chair Pam Schrier: palschrier@gmail.com.
- Decisions on the number of teachers sponsored and partial vs. full scholarships are made by the ECC Teachers' Scholarship Committee based upon the amount of funding available in a given year, with the approval of the ECC/CCA board. Considered first are our Chairman and Conference Principal, in recognition of their hard work and as representatives of our committee, and/or CCA Examiners on our local committee who are required to attend the national seminar but who receive only tuition assistance toward this from the CCA. Next to be considered each year are young teachers with promise who have already demonstrated exceptional commitment to the method, and/or established teachers who have contributed much to the ECC/CCA over the years. Again, decisions on partial vs. full scholarships are based upon the amount of funding available in a given year.
